****If you are a coffee lover and can not start your morning without it, let us introduce you to absolute perfection in every cup. Our proprietary Valencia Blend is always roasted within 48 hours of service and is exclusively offered here at Hotel Valencia. Valencia Blend is an all Fair Trade Organic Coffee that was created by our Executive Chef, Jeff Balfour and the president of Katz Coffee, Avi Katz. Valencia Blend consists of 75% Rwandan that has medium roast/medium acidity with subtle notes of lemon and bittersweet chocolate. The remaining 25% is Ethiopian, which shows a fruity body with a splash of cinnamon and blueberry flavors.**
